

# PALACONGRESSI DI RIMINI HAS BEEN RECONFIRMED THE **LEADING CONFERENCE FACILITY IN ITALY**

**Still basking in the success of last year, the Palacongressi finds itself in the limelight yet again at BEA 2017, the Festival of Italian events and live communication. A new and important accolade for the “Event&Conference Division” of “Italian Exhibition Group”: The Rimini facility took home the award for best location in the category of Italian conference centres and auditoriums.**

The jury, made up of experts from leading companies and agencies in the communication and events sector, assessed various types of venues for meetings and events, from “unexpected locations” to sports and cultural spaces, and concluded that the Palacongressi di Rimini is Italy’s most appealing, versatile, functional and top quality location in the meeting industry.

The Palacongressi was deemed a venue capable of perfectly combining aesthetics, design and functionality. In fact, its 39 excellently equipped modular rooms, with noise absorbing and soundproofed walls are ideal for parallel sessions or varying types. Italian style furniture by Frau and Moroso, décor, stages and mobile technology allow for the design and staging of high-profile events and conventions both on a national and international scale. And without forgetting of course, that this year the Rimini convention centre switched to full HD technology, upgrading from a 4K network to Over IP, as well as the installation of external mega led walls and an overall improvement of internal hardware and software.

## **THERE’S ALWAYS A REASON TO MEET IN RIMINI:**

- Because you are looking for something beautiful and new. And here you will find an Expo Centre and a Congress Centre which are among the most innovative in Europe, perfectly integrated in the city.
- Because you care about the environment. And here, in the Riviera, we believe in environmental policies, in projects of social responsibility and solidarity.
- Because the future has already begun and change is underway, but our soul remains true.
