01. room location, section floor 1  
02. inside view, 165 seats

**Origin of the name of the historical sites in Rimini**

Inaugurated in 2002, the new Harbour is a state of the art touristic port. The modern design of the architecture reflects its ancient roots: the dark brown colours and the shape of the seawalls with towers and turrets recall the original fortified structure of the canal running between the Borgo San Giuliano and Borgo Marina.

 **PHOTOGALLERY & EVENTS**

Full Room

Medical-scientific National Congress

Screen, video camera, reflectors, podium

Darkened room, chairs by Thonet
