01. room location, section floor 1
02. inside view, 90 seats

Origin of the name of the historical sites in Rimini

The Port is very dear to the people of Rimini: the end of the pier, known as the "palata" is a favourite place to stroll regardless the season, sitting on the rocks to soak up the sunshine and the scent of the sea.

In some areas of the port canal, 17th century quays in Istrian stone still stand, contrasting the modern fishing trawlers docked to them.

 **PHOTOGALLERY & EVENTS**
